

[Register](#) for the  
Talent Development Masters Forum  
Friday July 15

***“What Works in Talent Development”***  
**Premium Professional Development**

**Talent Development Masters Forum**  
**8:30 am – 4:00 pm Friday, July 15**

The ATD Nashville Chapter and the Center for Organizational and Human Resource Excellence (COHRE) at Middle Tennessee State University brings you Session #2 of the 2016 Talent Development (TD) Masters Forum series.

Join us to explore *“the art and science of high-impact learning program design and delivery”*.

Participate in a collaborative, results-based, and highly interactive professional development workshop. Review real-world experiences of “What Works in TD”, deliberate evidence-based best practices, and leave with practical ideas and tools you can apply right away. This session is relevant for all TD professionals in any role and at any experience level.

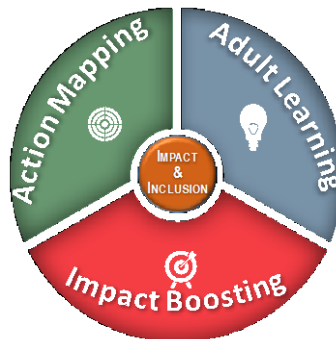

**Note: there is no prerequisite to attend a prior session.**

*Session #1 earned a “Likelihood to Recommend” Score of 9.7/10 and an NPS Score of 100 !!*

Please read below or [click here](#) for more information.

## The 2016 Talent Development Masters Forum is an opportunity to:

- Extend your TD subject matter expertise with evidence-based ideas and tools
- Strengthen your personal credibility and professional effectiveness
- Enhance your career management practices
- Network with like-minded colleagues

Register now and be part of the experience.  
Enhance your professional impact and strategic inclusion.

- **Networking Event 8:30 -9:00**
- **The Action Mapping Process-** a visual performance-based training design process that effectively engages SMEs and other stakeholders in goal-oriented design.
- **Evidence-Based Adult Learning Principles-** proven best practices that result in high-impact adult learning and performance improvement.
- **Impact Boosting and Transfer Practices-** tips and techniques that improve learner recall, sustained application, and performance improvement.
